# Sports Team FAQs

## HOW DOES A BLOCK OF GUEST ROOMS WORK?

Setting up a block of guest rooms entails us putting aside guest rooms for your team. These guest rooms are guaranteed to be available for reservations up until the cut-off date. A block also ensures the best rate because you are guaranteeing that your team will be staying with us.

## WHAT IS THE CUT-OFF DATE?

A cut-off date is the date until which the guest rooms and the reduced rate will be available. After this date, any guest rooms not reserved will be released to the general public for the hotel to try and resell.

## WHAT IS YOUR CANCELLATION POLICY?

For a single guest room, the cancellation must be made 48 hours prior to arrival to avoid charges. For an entire block of guest rooms, it depends on the date cancellation occurs. Please contact our Sales & Catering team for further details.

## IS BREAKFAST INCLUDED?

Continental breakfast is not included with our guest rooms. Our Sales & Catering team would be pleased to assist with any team meals or special events.

## DO YOU OFFER A FREE ROOM FOR THE COACH?

Based on number of guest rooms required and number of nights staying, we may offer complimentary upgrades. Please contact a Sales Manager for more details.

## SHOULD I SEND A ROOMING LIST OR HAVE PEOPLE MAKE THEIR OWN RESERVATIONS?

Individual reservations work best when each guest is responsible for payment of the guest room. An individual reservation enables guests to relay their requests directly to the reservation agent and leave a credit card for payment. A rooming list (a list of guests booking rooms) is preferred when payment for the block booking will be on a single bill

## ARE THERE DINING OPTIONS ON-SITE?

We are pleased to offer the following options on-site:

Restaurant: Full-service restaurant open daily for breakfast and brunch, reservations accepted

Garden Terrace Lounge: A great place to socialize over cocktails and elevated appetizers

## WHAT DOES DOUBLE OCCUPANCY MEAN? DO KIDS STAY FREE?

Our guest room rates are based on room occupancy for up to two people per guest room; each additional adult is \$20 per night plus taxes. Children 17 years and younger stay free with an adult
